What is Self-Introduction?

A self-introduction is a way to introduce yourself to others by sharing basic and important information about who you are. It usually includes your name, place, education, family background, hobbies, strengths, goals, and sometimes your achievement or interests.

Self-introduction helps others to know you better and is commonly used in interviews, classrooms, presentations, and formal meetings.

Why is Self-Introduction Important?
→ Discussion:

Self-introduction is important because it is the first step to connect

with others. It helps people understand who you are, what you do, and what your background is. Whether it's in a classroom, job interview, seminar, or social gathering, a good self-introduction creates a positive first impression.

Why a Good Self-Introduction matters:

A good self-introduction is important because it helps you create a strong and positive first impression. Whether you're in a classroom, interview, or public event, people often judge your personality, confidence, and communication skills in the first few seconds.

① Builds Trust & Interest: A confident and clear introduction shows that you are genuine and approachable

② Reflects Your Personality: It gives others a glimpse of who you are and what values you hold.

③ Opens Opportunities: A strong self introduction can impress interviewers, teachers, or strangers, which may lead to future opportunities.

④ Improves Communication: It sets the tone for smooth conversation and makes others comfortable.

⑤ Shows Preparation: A well-prepared introduction shows that you respect the moment and the people you're talking to.

Discuss the various types of self introduction

① Personal Self - Introduction:

- Used in casual or friendly settings.
- Includes name, place, hobbies, interests, and a little about family.
- Example: when meeting new classmates or neighbors.

② Professional Self - Introduction:

- Used in job interviews, corporate meetings, or networking events.
- Includes name, current role, education, work experience, skills, and career goals.
- Example: "Hi, I'm Kuish Soni, a B.Tech student specializing in Computer Science..."

(3) Academic self - Introduction:

- Used in schools, colleges, seminars, or while giving presentations.
- Includes name, class/course, academic background, favorite subjects, achievements, and goals.
- Example: In front of a new teacher or while presenting a seminar in college.

(4) Public Speaking/stage Introduction:-

- Used when speaking on stage or in a formal event.
- More structured and focused on your role or topic.
- Starts with greetings, name, purpose of speech, and a brief background.

(5) Online or written introduction:

- Used in emails, social media bios, or online courses.
- Short and to the point, focusing on key details like name, profession, and interests.

Q.1

Answer

SELF INTRODUCTION

Good morning everyone,

Firstly, Thanking you for giving me this wonderful opportunity to be introduce my self,

My name is Krish Soni. My Father's Name is Mr. Bharat Soni, He is Salesman.

My Mother's name is Mrs. Jyoti Soni, She is a Homemaker.

I am currently pursuing my Bachelor of Technology (B.Tech) from SVCE Indore.

I completed my 10th in 2022 and 12th in 2024 from Govt.Nutan Higher Secondary School, Indore, securing 79.6% in 10th and 77.2% in 12th. I am from Indore. (Madhya Pradesh).

I enjoy spending my free time playing 3Cs - (Cricket, Carrom and Chess).

I also like watching movies, listening to music, and most importantly, I try to enjoy every moment of life.

My favorite subject is Mathematics. One of my strengths is that I am self motivated, and my weakness is that I am scared of losing and this fear of losing motivates me to win.

That's all about me.

Thankyou very much!

Q. 1.	What is Extempore?
Answer:	Extempore is an art of speech in which we have to speak about all the outline of given Topic, and not the time of preparation
	for example: Some topics are given below
(1)	Money is the basic need
(2)	Wine is not good for health.
(3)	Silent hours is useful and helpful for us.
(4)	Mobiles are connecting us to the other Society.
(5)	Google Search is increasing our knowledge.

Topic - Silent hours is useful and helpful for us.

(4) # Introduction :- Silent hours are those times of the day or night when everything is quiet and peaceful. Usually, early mornings or late nights are considered silent hours. These hours are free from noise, distractions, and disturbances, making them very special and useful for us.

(रुकावटा में सुखार)

(1) Better Concentration :- During silent hours, our mind stays calm. There are fewer distractions, so we can focus better on our studies, reading, or any important work.

(मन की शान्ति)

(2) Peace of Mind :- Silence helps in reducing stress and anxiety. It gives our brain some rest and allows us to feel relaxed and peaceful.

(3) Good for Studying and Thinking :-

Topic:- Wine Is not Good for Health

Introduction:- Many people believe that drinking wine in small amounts is fine, but the truth is that wine and other alcoholic drinks can be harmful to our health in many ways. It affects both our body and mind.

① Harms the Liver:- Regular wine drinking can damage the liver, which plays an important role in cleaning our blood.

② Increases the Risk of Diseases:-

Drinking wine increases the risk of heart problems, high blood pressure, and even cancer.

③ Affects the Brain:- Alcohol slows down brain activity. It can cause poor decisions, memory loss, and long-term brain problems.

④ Addiction:- Even small amount can lead to addiction. Once addicted, it becomes very difficult to stop.

Swami Vivekanand College of Engineering, Indore

(5) Weakens the Immune System:

Alcohol makes the body weaker and more likely to get sick.

(6) Mental Health Issues:

Wine and alcohol can cause stress, depression, and anxiety in the long run.

Conclusion:

Wine may look like a way to relax, but it brings more harm than good. For a healthy and happy life, it is better to stay away from alcohol and live naturally.
